adesso Schweiz AG in 2010 again among Switzerland's Top Employers

CRF survey "Top Employer Switzerland 2010" values adesso being a top choice for employees

Zurich, 24 March 2010 – adesso Schweiz AG belongs to the top 18 Swiss employers in 2010. This year, companies from all over Switzerland were rated in the categories remuneration & acceptance, work-life balance, market positioning & image as well as culture and job guarantee –criteria which graduates and young professionals expect from a modern human resources management.

The international crossbench CRF Institute set up the top employer project and developed methods for selecting the best employers. All participating companies have to outreach the impartial rating standards of a best practices test relating to the human resources management.

adesso offers a large service portfolio and covers all IT processes, from the requirements analysis to the seamless implementation of software solutions. The adesso credo is simple: We do not sell products; we develop individual solutions for our customers. In order to achieve the best solutions, the employers are in the center of the company's internal attention because each of them contributes to a project's success by implying their individual technical and technological know-how and high soft skills. adesso encourages individual job trainings and attaches great importance to open doors and flat hierarchies.

The survey shows that adesso is an attractive employer for well educated software developers and consultants who have a wide range of competences and who like to work in teams; employees who understand the customer's business and who are highly motivated to climb the ladder of success.
