

Press Release

adesso offers 40 vacancies at the job fair “IT- Jobs”

IT service provider demonstrates presence at local trade fair for IT specialists

Dortmund, 03 October 2008 - adesso seeks specialists for IT consulting and software development at the recruiting fair on September, 20th in the Congress Center Ost, Essen. Host of the fair is the local IT association ruhr networker e.V. The adesso AG, which had been awarded with the “Top-Job” certificate as one of the best of 100 middle-sized employers, seeks additional staff for all offices.

Only last week, the company presented convincing semi-annual figures and consequently raised its projected growth for the second half-year. For a sustaining expansion of the existing team, adesso seeks staff for all seven offices in the German-speaking area and in particular for the head office at the Stadtkrone Ost in Dortmund.

adesso intends to hire experienced IT consultants, project leaders and software developers, who already have long-term professional experience or who are aiming for a new step in their careers. Moreover, graduates and young professionals are warmly invited to introduce themselves to the company at the adesso AG stand as well as they are invited to become acquainted with the company.

The third IT-Jobs fair after 2000 and 2001 is the consequence of an increased demand for qualified staff in the IT industry. More than 50 companies offer over 500 vacancies on all career levels, from newcomers up to qualified managers. At www.itjobs2008.de free registration is available until September, 7th. After that, a day ticket can be purchased for 20 Euros.

adesso AG

With more than 500 members of staff and seven headquarters, adesso is one of the leading IT providers in the German-speaking regions. The core business processes of the customers manifest the focus of consultancy and software development of adesso. These processes which are important for business success are becoming ever more flexible and productive by the clever implementation of information technology.

adesso customers, who are mainly large and medium-sized businesses, appreciate the long-term experience of the consultants and software developers resulting from complex and often international tasks. adesso also offers fixed prices for software development projects which are of a large-scale nature, thus granting customers financial security. adesso very much puts an emphasis on members of staff with an entrepreneurial spirit who act with a high degree of communicative competence and who know about and master the special tasks of the customers in their respective branches. Their corporate culture is characterized by transparency, also in the context of internal communication, and by members of staff who strongly identify themselves with adesso.

adesso was founded in Dortmund in 1997. The share is listed on the regulated market. The most important customers are Allianz, Hannover Rück, Westdeutsche Lotterie, Zurich Gruppe, DEVK, BKK Bundesverband und DAK.
