### **Good Growth Opportunities for SITGATE Luxembourg S. A. as Competence Partner for Funds Providers**

SITGATE Luxembourg S. A. extends her growth potentials with a positioning as competence partner for funds providers. Customers of SITGATE are i.a. Union Investments and DWS. Moreover, in January 2008 a major international investment service provider had been acquired that manages 2 billion Euros worldwide with about 4,300 members of staff and denotes a growth in sales of 24 percent in 2007.

With over 2,500 investment funds and managed assets of 1,900 billion Euros, Luxemburg is the world largest funds location for domiciling and distributing investment funds internationally. Funds management is a highly specified business, requiring modern IT and communication infrastructures. Technology grows thus to a factor of success for the future funds market in Luxemburg. SITGATE Luxembourg S.A. offers innovative solutions in the scope of business, outsourcing and technology for investment funds providers in this highly dynamic field.
